To

The Dewan of Mysore.

Dated Bangalore, 29th March 1906

SIR,

With reference to the correspondence ending with
Mr. Venkatavaradiengar's letter Pol No. 655, dated the 20th February
1906, I am directed to state that, after consulting the local Military
authorities, the Resident considers that in future the following
procedure should be adopted for dealing effectively with complaints
concerning damages caused by the Troops on occasions of ordinary
drill manoeuvres:-

- (a) that an officer of the rank of Assistant Commissioner should be
nominated by the Durbar in Bangalore to attend specially to such
complaints and that he be permitted to correspond direct with the
Brigade Major, Bangalore Brigade;
- (b) that the aggrieved parties should prefer their complaints to the
Assistant Commissioner within a week from the date of damage, com-
plaints preferred thereafter being rejected;
- (c) that the Assistant Commissioner should himself verify the com-
plaint and report ~~the complaint~~ and at once to the Senior Military
Officer present any damage so as to enable that officer to inspect
the damage complained of;
- (d) that the Military Authorities should then, if necessary, make

local

local inspection or other enquiry;

(e) that compensation for damage should be settled between the Brigade Major and the Assistant Commissioner, the necessary amount being paid in cash to the latter officer for disbursement to the parties concerned.

In the case of Regimental manoeuvres, the Assistant Commissioner should receive intimation of such manoeuvres at least 4 days in advance, and should deal direct with the unit concerned. If damage be admitted by the unit, the Assistant Commissioner should make a report to the Brigade Major in view of settling the question of compensation;

(f) that in case of material disagreement between the Assistant Commissioner and the Brigade Major, the matter should be referred to the Resident through the proper channel.

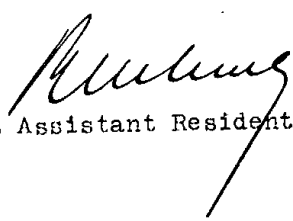

2. I am accordingly to request that the necessary instructions may be issued in the matter and the fact intimated to this office.

3. I am at the same time to observe, with reference to paragraph 2 of the Durbar's letter dated the 20th February 1906, that it is not clear how parties refusing to accept compensation awarded by the Executive authority can obtain relief in a Court of law. The party to be sued would be the British Government and no suit can, under the provisions of the Mysore Regulation No. II of 1884, lie against that Government in the Civil Courts of Mysore.

I have the honour to be,

Sir,

Your most obedient servant,

First Assistant Resident.
